Commissioner for Patents

The amendment filed 03/10/2008 is considered noncompliant because it fails to meet the requirements of 37 CFR 1.121. In order for the amended document to be compliant, correction of the following items is required: Each claim has not been provided with the proper status identifier, i.e. Claim 1 (Original) rather than (Currently Amended). For further explanation of the amendment format required by 37 CFR 1.121, see MPEP 714. Applicant is given one month or 30 days, whichever is longer, from the mail date of this notice to supply the correction. The correction required is only the corrected section of the noncompliant amendment in compliance with 37 CFR 1.121, i.e. in the instant case, a complete corrected claim set. Extensions of time are available under 37 CFR 1.136(a). Failure to respond in a timely manner will result in abandonment of this Application.
